

CALIBER

— CONSULTING —

SDVOSB: CERTIFIED | VOSB: CERTIFIED | UEI: TFFZHMJJVJ119 | CAGE: 20N60 | NAICS PRIMARY: 541990

COMPANY OVERVIEW

Caliber Consulting LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing all-source intelligence analysis, geospatial intelligence, open-source intelligence, and threat assessment services to federal and defense clients. Founded by a U.S. Navy combat veteran with 12 years of experience supporting Naval Special Warfare, the Office of Naval Intelligence, and U.S. Space Force leadership operations. Caliber brings that same analytical discipline and operational experience directly to federal agencies, defense contractors, and government-adjacent organizations.

CORE COMPETENCIES

- All-Source Intelligence Analysis & Fusion
- Geospatial Intelligence (GEOINT) & ISR Analysis
- F3EAD Targeting Cycle Support
- Threat Network & Person of Interest Development
- High-Value Target Profiling & Vulnerability Analysis
- Indications & Warnings (I&W) & Threat Assessment
- Finished Intelligence & Executive Briefings
- Open-Source Monitoring

PAST PERFORMANCE

Corporate Protective Intelligence Support | 2026

- SOCMINT collection, POI case development, behavioral threat assessment, and weekly finished intelligence reporting supporting executive security for a major Fortune 500 technology platform.

U.S. Space Force Contract Support | 2020-2025

- Provided executive-level analytical support and decision-ready briefing products for senior U.S. Space Force leadership in a high-visibility defense contracting environment.

Naval Special Warfare Senior Intelligence Analyst | 2015-2018

- Embedded intelligence analyst with SEAL teams during combat deployments to Iraq and Africa – conducting real-time threat assessments, targeting analysis, and FMV/ISR fusion in direct support of special operations.

Office of Naval Intelligence – Watch Floor Supervisor | 2012-2015

- Supervised GEOINT watch floor operations; oversaw 13,000+ finished intelligence products across 500+ RFIs supporting DoD and interagency decision-makers.

DIFFERENTIATORS

- SDVOSB Certified | Active SECRET Clearance | TS/SCI Eligible for Reinstatement
- SOF-Embedded Intelligence Analyst – Combat deployments to Iraq and Africa
- ONI Senior Intelligence Analyst & Watch Floor Supervisor – 13,000+ finished intelligence products supporting DoD and interagency decision-makers
- Multi-INT experience – GEOINT, OSINT, all-source analysis, FMV/ISR fusion, link analysis and target development
- Direct Analyst Engagement – Every engagement is handled directly by the founding analyst. No junior staff, no handoffs. Clients receive the full benefit of 12 years of operational intelligence experience on every product.
